Steak

John was furious when his steak arrived too rare.

While the nurse pondered this information, my mother leaned over to me, "Sweetheart," she gently chided, "this is not the Internet."

Blood Pressure

Nurse: Your blood pressure is amazingly high. Is your job very stressful?

Patient: Well, I work at a petting zoo.

Nurse: That seems easy enough.

Patient: I determine which animals are too vicious to be petted.

Birdwatching

Birdwatching is a passion of mine, and my wife has always been impressed by my ability to identify each species solely by its song.

To help her learn a little bit about birds, I bought a novelty kitchen clock that

Teenager

A teen-aged boy with spiked hair, nose ring and baggy clothes was overheard telling a friend, "I don't really like to dress like this, but it keeps my parents from dragging me everywhere with them."
