Number 852

"My dog acts like her whole family was murdered by a vacuum cleaner."

Broken Watch

The man charged into the jewelry shop, slammed his fists angrily on the showcase, removed a wristwatch from his pocket and shook it under the nose of the owner. "You said this watch would last me a lifetime," he yelled.

"Yeah," admitted the owner. "But you looked pretty sick the day you bought it."

Troubled Kid

A senior in the high school class I taught was always in trouble, both at home and at school, and he was getting fed up. "That's it! I'm tired of people telling me what to do," he announced at the end of class one day. "As soon as I graduate, I'm joining the Marines."

Young Daughter

"What do you have to do to become a doctor?" my six-year-old daughter once asked.

Seeing an opportunity, I said, "You have to do extremely well in school, take a lot of math and science, get into an

excellent college, make the highest grades possible, and then go to medical school, and follow that with an internship. Then you can start your own practice. Honey, as smart as you are, you can be anything you want to be."

She gave all this a moment's thought and then asked, "What do you have to do to be queen?"

Crazy Cat

There was a hysterical call at the fire department, and it went like this: "Help me, please help me; there is a cat meowing and yowling with frequency and urgency. It is going to hurt me, it's going to kill me; can you please help me, and send the fire

squad right away?"

"Take it easy, cats don't hurt us, just relax wait until he leaves." Replied the dispatcher.

You don't understand it is going to bite me, it is going to kill me; it is going to be fatal!

Cats aren't like snakes or spiders that are venomous, by the way who is calling?

"I'm Josephine's parrot you jerk! Help me please, please help!"

Cookies

Returning from a trip to visit my grandmother in California, I was stopped by a state trooper in Kansas for exceeding the speed limit. Grateful to have received a warning instead of a ticket, I gave him a small bag of my grandmother's delicious chocolate-chip cookies and proceeded on my way.

Later, I was stopped by another trooper. "What have I done?" I asked.

"Nothing," the trooper said, smiling. "I heard you were passing out great chocolate-chip cookies."

Easter Coloring Contest

- Categories are as follows:
Fun loving insurance agents
Children up to age 4
Children ages 5-8
Children ages 9-10
Children ages 11 and over

5 Winners!
