### Small Town

The small town's sheriff was also its veterinarian. One night the phone rang and his wife answered. An agitated voice inquired, "Is your husband there?"

"Do you require his services as a sheriff or as a vet?"

"Both. We can't get our dog's mouth open, and there's a burglar in it."

### Drinking Tea

Three old couples were having tea one fine day. They were all chatting and whatnot when one of the men, trying to get a chuckle, said to his wife, "Pass the honey, honey!" Getting the chuckle he expected, he carried on. A

moment later, the second man said, "Pass the sugar, sugar!" This got a bit of a bigger laugh, so the third man, although not quite as clever or quick-witted as the other two, decided to join in the fun. He waited for the perfect opportunity, cleared his throat, then confidently said, "Pass the tea, bag!"

### Camping

It was the first camping experience for Jed.

As soon as he had pitched his tent, he went for a hike in the woods. In about fifteen minutes he rushed back into camp, bleeding and disheveled.

"What happened?" asked a fellow camper.

"I was chased by a black snake!" cried the frightened Jed.

The camper laughed and retorted, "A black snake isn't deadly."

"Listen," groaned Jed, "He is if he can make you jump off a fifty-foot cliff!"

### Airline Clerk

I am a reservations clerk for a commercial airline. A woman phoned one of my co-workers to ask if a particular flight had departed. While my friend

was checking the information, the office cleaning staff turned on a vacuum cleaner behind her.

"Never mind," the woman said. "I just heard it take off," and she hung up.

### Grounds Keeper

I was golfing with a soldier who had just returned from a tour in Afghanistan. His plans included becoming a greens keeper once he was discharged in a few months. He applied to a local college for its golf course superintendent program, but the department chair worried that he might not be up for the job. "It's stressful," he said. "You have to fight the weather, insects and demanding club members."

"Will anyone be shooting at me while I mow the grass?" asked the soldier.

"Of course not."

"I'll take the job."

### Wine Therapy

If you listen real closely to my kids arguing, you'll hear the sound of me pouring a glass of wine.
