Geraniums

"I'm sorry," said the clerk in the flower shop, "we don't have potted geraniums. Could you use African Violets instead?"

Replied the customer sadly, "No, it was geraniums my wife told me to water while she was gone."

Restaurant

We took the family to one of those restaurants where the walls are plastered with movie memorabilia. I went off to see the hostess about reserving a table.

When I returned, I found my 10-year old granddaughter staring at a

poster of Superman standing in a phone booth.

She looked puzzled.

"She doesn't know who Superman is?" I asked my husband.

"Worse," he replied. "She doesn't know what a phone booth is."

Dentist Office

A patient at the dental office where I work stopped by my desk to pay her bill. She began rummaging through her purse, as so many patients do when they have a check to write. "Do you need a pen?" I asked, offering her mine.

"Yes, thank you," she replied. She took it, put it in her handbag, and proceeded to pay in cash.

Out of Work Actor

An actor had been out of work for years because he always forgot his lines. One day he got a phone call from a director who wanted him for an important part in a play. All the actor had to say was, "Hark! I hear the cannon roar!"

Opening night arrived, and while he waited in the wings, the actor muttered

to himself, "Hark! I hear the cannon roar! Hark! I hear the cannon roar!" The time for the entrance finally came. As the actor made his appearance onstage, he heard a loud BOOOOM! He turned around and said, "What the heck was that?"

Groaners

I said to the gym instructor, "Can you teach me to do the splits?"

She said, "How flexible are you?"

I replied, "I'm pretty flexible, but I can't make Tuesdays."

My dog used to chase people on a bike a lot.

It got so bad, I had to take his bike away.

The medical examiner bought a house on a coroner lot.

I told my doctor that I could sew stitches better than he can. He said, "Suture self."

He didn't tell his mother he ate some glue. His lips were sealed.
