"I don't know if dogs get how cool they look in sunglasses."

Deserted Island

A man was finally rescued, after having been on a deserted island for 10 years. The first question he was asked was why there were three huts on the island if he was alone.

He replied, "The first one is my home, the second is my church and the third is the church I used to attend."

Golf

It was a sunny Saturday morning, and Murray was beginning his pre-shot routine, visualizing his upcoming shot when a voice came over the clubhouse loudspeaker. "Would the gentleman on the Ladies tee back up to the men's tee, please!"

Murray was still deep in his routine, seemingly oblivious to the interruption.

Again the announcement,

We Are Closed

July 4th

"Would the MAN on the WOMEN'S tee, kindly back up to the men's tee!"

Murray had had enough. He broke his stance, lowered his driver back to the ground and shouted, "Would the announcer in the clubhouse kindly be quiet and let me play my second shot?"

Speeding

A cop pulls over a lady for speeding and gives her a ticket saying, "That's \$150 and two points."

"Two points? What do I do with the points?" she asks.

"Well," says the cop, "when you get twelve, you get a bike!"

Zookeeper

A zookeeper is ordering new animals. As he fills out the forms, he types "two mongeese". That doesn't look quite right, so he tries two mongoose, and then two mongooses. Giving up, he types, "One mongoose, and while you're at it, send another one."

Shopping

A family enters a large store. After browsing for several moments they purchase some goods and head for the large counter at the front of the store.

They notice a robotic seal standing in a corner situated near the counter. It is dressed in a tuxedo and each time goods are packaged the seal nods as if in agreement.

After the third purchase is made the father asks the counter assistant why the robot nods each time.

The assistant replies, "Isn't it obvious? It's our seal of approval."

Wedding

"How did the wedding go?" asked the minister's wife.

"Just fine until I got to the part where I asked the bride if she would obey and she said, 'Do you think I'm nuts?' and the groom said, 'I do,' and then things really began to happen fast."
