"A conference call is the best way for a dozen people to say 'bye' 300 times."

Skydiving

Two skydivers, Harold and Lester, jumped out of the plane and were having a conversation on the way down.

Lester said, "I was in a hurry this morning, and I can't remember if I asked you to pack my chute for me."

Harold replied, "I've been pretty forgetful myself. I'm lucky I remembered to pack mine."

"Wait a minute. You mean I forgot to ask you to pack my chute for me?" asked Lester.

"No, silly. You didn't forget to ask me to pack your chute. I'm the one who actually forgot to pack your chute!" said Harold.

Lester replied, "Phew! Thank goodness, for a minute there I thought I was losing my mind!"

Drawing Blood

After I warned the nurse taking blood that it would be very hard to find a vein on me, she said, "Don't worry. We've seen worse. last year we had a girl come in to get a blood test for her marriage license and we had to stick her six times in four

places before we got anything."

"Yes, I know," I said.
"That was me!"

Nature Hike

A grandfather and grandson were taking a nature hike together. The grandfather remarked how nature can teach us many lessons. The grandson asked which lesson was the most important one he had learned.

The grandfather replied, "Well, if you find a baby squirrel in the woods, don't carry it in your shirt unless you're wearing a very tight belt."

Lost Money

The receptionist for the company where I'm employed found some cash in the office, apparently mislaid by a co-worker. She sent the following e-mail, "If anybody can say where they lost \$66, please let me know and it will be returned to you."

Within minutes one employee replied, "Kentucky Derby, 1986."

College Cafeteria

One outraged college student stomped up to the lunch line at the cafeteria, holding a plate with a piece of pie on it.

"This is disgusting!" he exclaimed. "What kind of pie do you call this?!"

The lunch lady calmly put down her ladle, looked him in the eye and snarled, "And just what does it taste like?"

"It tastes like cardboard and rubber cement!" the student cried.

The lunch lady thinks a moment, then replies, "That must be the apple. The cherry pie tastes like stale crackers and soap."
