*"I love waking up to the sound of birds arguing with their spouses."*

## Racetrack

To get his mind off his losing streak at the racetrack, I took my friend horseback riding. Being a novice, he freaked when his horse took off.

"How do I get it to slow down?!" he yelled.

"Will that really help me, doctor?"

## US Postal Service

The first man in powered flight was from Ohio.

The first man to orbit Earth was from Ohio.

And the first man on the moon was from Ohio.

It sounds like a lot of people are trying to get out of Ohio.

## August Wedding

It was so hot when we got married outdoors in August, we decided to turn on all the sprinklers to cool everyone off.

Everyone enjoyed our wetting ceremony!
