"My track record as an adult is mostly false starts, hurdles and running in circles."

Disney World

Before leaving home with our family for the drive from Maine to Disney World in Florida, the children were warned that it was a long trip and no one was to ask, "How much farther is it?" or "When will we arrive?"

The journey was remarkably question-free until 9 a.m. on the third day, when the youngest of the children sighed, "Will I still be five when we get there?"

Yard Work

Billy, our five-year-old grandson, helped do yard work and was paid \$5.

Later, his mother brought him to the toy store.

Billy looked over a rack of action figures, asked how much they cost, then remarked, "It's a good thing I'm working."

Exercise

This year I decided it was about time for me to get in shape and lose weight. I joined a gym and made an appointment with Walt, a personal trainer.

One day I found myself reclining self-consciously

on a machine with my feet set to press on a weighted platform.

"Do you wear those shoes often?" □ Walt asked.

"They're my best running shoes!" □ I declared, dodging the question.

He scrutinized them closely, then asked, "Are those cobwebs on them?"

Teenager

As she prepared to go to school, my 17-year-old daughter asked to borrow a pair of my shorts. Since she'd never asked to share my clothes before, I happily got her a pair.

"Why do you want them?" I asked.

She replied, "It's nerd day at school."

Dogs

Two dogs wearing their finest collars entered a bar.

After ordering they noticed that all the other dogs in the bar were not wearing collars.

That's when they realized they were in a stray bar.

False Teeth

A boy and his mother stood in the dentist's office, looking at a display case. "If I had to have false teeth, mom, I'd take that pair there," said the small boy, pointing.

"Hush, Willie," interrupted the mother quickly, "haven't I told you it's bad manners to pick your teeth in public?"

Happy Birthday

Every year on my birthday, I looked forward to my aunt's gift, a scarf, hat, gloves or sweater knitted by hand.

One year, she must have had better things to do because I received a ball of yarn, knitting needles, and a how-to-knit book.

Her card read, "Scarf, some assembly required."
