*"I'm watching my neighbor through the blinds, he's so creepy."*

### Soup

A man entered a diner and ordered a large bowl of soup. A big horse fly then flew into the bowl. The startled man saw the fly, then retorted to the waiter. "Look at this bowl, what do you see? A horse fly right? What is it doing in my soup?"

The waiter, not sure how to reply, said, "I'm not sure, but it looks like the backstroke to me."

### Weed Eater

When I took my Weed Eater back to the home and garden store to get it fixed, I was asked if I wanted to wait until the job was done.

"How long will it take?" I asked.

The clerk answered, "A day or two."

### Insomnia

My husband, an accountant, and I both suffer from occasional bouts of insomnia. One night I suggested we try a technique I'd read about, which was to encourage relaxation. Laying with our eyes closed, I described a

relaxing scene, "We're in a beautiful, oceanside bungalow on a tropical island. A gentle breeze is coming through the french doors that lead to our private ocean path."

My husband's quiet voice startled me from my peaceful place. "How much is this vacation costing us?"

### Happy Birthday

It was our friend's birthday, so we decided to call him up and sing "Happy Birthday."

Only trouble was we dialed the wrong number.

"Don't let it bother you." said the voice on the other end, just before he hung up, "You need all the practice you can get."

### Groaners

A cop breaks up a fight by two invisible men.

As the crowd gathers, he shouts, "Move along, folks. There's nothing to see here!"

.....  
I'm kind of tired of being an amateur crastinator...

I'm thinking of turning pro, but I'm going to put that decision off for awhile.

.....  
Why are kindergarten teachers so optimistic?

Because every day they try to make the little things count.

.....  
I finally realized that I needed to get in shape, so I made plans to join a club and work out for one full year.

The year I picked is 2023.

.....  
Jokes on you hot chick at the bar who gave me a radio station's phone number. I just won Harlem Globetrotter tickets and a Bud Light poncho.
