"If the day goes by so quickly, why am I so tired when it's done?"

Elderly Woman

An elderly woman decided to have her portrait painted. She told the artist, "Paint me with diamond earrings, a diamond necklace, emerald bracelets, a ruby brooch, and Cartier watch."

"But you are not wearing any of those things," replied the artist.

"I know," she said. "It's in case I should die before my husband. I'm sure he'll remarry right away, and I want his new wife to go crazy looking for the jewelry."

Art Exhibition

A little old lady was among a group at an art exhibition in a newly opened gallery. Suddenly one contemporary painting caught her eye. "What on earth," she inquired of the artist

standing nearby, "is that?"

He gave her a patronizing smile. "That, my dear lady, is supposed to be a mother and her child."

"Well, then" snapped the little old lady, "why isn't it?"

Police Officer

A police officer pulled a car over for going the wrong way on a one way street. He asked the driver, "Where do you think you are going?"

The driver responded, "I'm not sure, but I must be late as everyone else is already coming back."

Restaurant

A customer in the Italian restaurant was so pleased with his meal that he asked to speak to the chef. The owner proudly led him into the kitchen and introduced him to the chef.

"Your veal parmigiana was superb," the customer said. "I just spent a month

in Italy, and yours is better than any I ever had over there."

"Naturally," the chef said. "Over there, they use domestic cheese. Ours is imported!"

Backpacking

After eight days of backpacking with my wife Linda, we were looking pretty scruffy. One morning she came to breakfast in a baseball cap, her shoulder length hair sticking out at odd angles.

"Terry," she said, "does my hair make me look like a water buffalo?"

I thought for a moment, then said, "If I tell you the truth, do you promise not to charge?"

First-time Flier

The first-time flier was very nervous as he buckled his seat belt before takeoff. He turned to the woman in the next seat and asked, "About how often do jetliners like this crash?"

She thought a moment and replied, "Usually, just once."
