Plane Ride

A little boy and his mother were taking his first commercial airplane ride. After boarding the plane, taking off, and being at cruise altitude for some time, the puzzled boy looked at his mother and said, "So when do we get smaller?"

Pet Name

I have a pet who is a continual source of personal annoyance and irritation. Truth be told, he really bothers the heck out of me.

asks, "Are you a teacher?"

Surprised but happy, she replied, "Why, yes, I certainly am!"

She enjoyed a warm feeling throughout the meal ... she looked like a teacher, and this made her feel great.

As she was leaving the

"You have chalk dust on your rear", he replied.

Street Crossing

There's a man trying to cross the street. As he steps off the curb a car comes screaming around the corner and heads straight for him. The man walks faster, trying to hurry across the street, but the car changes lanes and is still coming at him.

So the guy turns around to go back, but the car changes lanes again and is still coming at him. By now, the car is so close and the man so scared that he just freezes and stops in the middle of the road. The car gets real close, then swerves at the last possible moment and screeches to a halt right next him.

The driver rolls down the window. The driver is a squirrel. The squirrel says to the man, "See, it's not as easy as it looks, is it?"

Bookseller

A bookseller conducting a market survey asked a woman, "Which book has helped you most in your life?"

The woman replied, "That would be my husband's check book."
