Parking Meter

A regular customer walks into the bar and says, "Bartender, one round for everyone, on me!"

The bartender says, "Well, seems you're in a really good mood tonight."

The man replies, "I sure am! Yesterday I was hired by the city to go around and collect money from the parking meters!"

The bartender congratulates the man and proceeds to pour the round. The next night the same man walks back in, "Bartender, two rounds for everyone, on me!"

his pocket and says, "You mean they're gonna pay me too?"

Auto Repair

I went to pick up my car at the auto repair shop. The mechanic said to me, "I couldn't repair your brakes, so I made your horn louder."

College Fund

Johnny paid his way through college by being a waiter in a restaurant.

"What's the usual tip?" asked a customer.

"Well," said Johnny, "this is my first day, but the other guys said that, if I got five dollars out of you, I'd be doing great."

"Is that so?" growled the customer. "In that case, here's twenty dollars."

"Thanks. I'll put it in my college fund," Johnny said.

"By the way, what are you studying?" asked the customer.

"Applied psychology."

Two buffalo were standing on the range when a passing tourist said, "Those are the mangiest, scroungiest, most moth-eaten, miserable beasts I have ever seen."

One of the buffalo turned to the other and said, "You know, I think I just heard a discouraging word."

Bathroom Scale

A woman notices her husband standing on the bathroom scale, sucking in his stomach. "You know, that's not going to help," she says.

"Sure it does," he answers. "It's the only way I can see the numbers."

WiFi

"Hold on, I get a feeling I've been here before."

"Why do you say that?"

"My phone automatically connected to the WiFi."

Running

I wasn't planning on going for a run this morning, but those mall security guards came out of nowhere!
