Number 894 "There should be a calorie refund for things that didn't taste as good as you expected."

ATM

How come I need a complex, indecipherable password to get on Twitter, but only a 4-digit number to remove all my money from an ATM?

Police Officer

Rushing to work, I was driving too fast and as a result was pulled over by the highway patrol. The state trooper noticed that my shirt had the name of a local high school on it.

"I teach math there," I explained.

The trooper smiled, and said, "Okay, here's a problem. A teacher is speeding down the highway at 16 mph over the limit. At \$12 for every mile, plus \$40 court costs, plus the rise in her insurance, what's her total cost?"

coals, and cover with a bucket of river mud. Lay carp on top of that, followed by another layer of mud and another layer of coals.

Cover and let simmer in the ground for 8 hours.

Dig it all up and eat the mud. It tastes like carp, but you don't have to remove all those bones.

Groaners

I had an uncle who was allergic to cotton.

He got some pills for the condition, but couldn't get them out of the bottle.

A thief was arrested for breaking into a Toys "R" Us store and stealing a board game.

He got Life.

I told my kids I never want to live in a vegetative state, dependent on some machine and fluids from a bottle.

So they unplugged my computer, and threw out my wine.
