## Changing Voice

My sister explained to my nephew how his voice would eventually change as he grew up.

Tyler was exuberant at the prospect.

"Cool!" he said. "I hope I get a German accent."

## Doctor's Office

In a psychiatrist's waiting room two patients are having a conversation. One says to the other, "Why are you here?"

The second answers, "I'm Napoleon, so the doctor told me to come here."

The first is curious and asks, "How do you know that you're Napoleon?"

The second responds, "God told me I was."

At this point, a patient on the other side of the room shouts, "NO I DIDN'T!"

## Happy Birthday

Two children ordered their mother to stay in bed one morning. It was her birthday and as she lay there looking forward to breakfast in bed, the smell of bacon floated up from the kitchen.

"It's a surprise for your birthday," one explained, "we decided to cook our own breakfast."

## New TV

One day, when I noticed my husband squinting at the TV, I told him he'd better get his eyes checked.

The next day, he came home with a bigger TV.

a tow. He was stranded on a busy highway, but he didn't know the make of the car he was driving. I asked again for a more detailed description beyond "a blue four-door."

After a pause, the driver replied, "It's the one on fire."

## Valentine's Day

Every Valentine's Day our campus newspaper has a section for student messages. Last year my roommate surprised his girlfriend with roses and dinner at a fancy restaurant. When they returned from their date, she leafed through the paper to see if he had written a note to her. Near the bottom of one page she found, "Bonnie, What are you looking here for? Aren't dinner and flowers enough? Love, Scott."

## Groaner

Last week our police station was broken into and the commode was stolen from the restroom.

Yesterday the police reported that the investigation is ongoing but they still have nothing to go on.
