Number 904 "I can't tell if the zombie apocalypse has started or the office coffee maker is broken."

## Yearly Physical

During my yearly physical yesterday, my doctor asked me about my daily activity level, and so I described a typical day this way:

"Well, yesterday morning, I waded along the edge of a lake, escaped from wild dogs in the heavy brush, marched up and down several rocky hills, stood in a patch of poison ivy, crawled out of quicksand, and jumped away from an aggressive rattlesnake."

Inspired by my story, the doctor said, "You must be some outdoors man!"

"No," I replied, "I'm just a lousy golfer."

## Football

My wife thinks I put football before our marriage, even though we just celebrated our third season together.

## Amazon Parrot

In good weather, my friend Mark always let his yellow-naped Amazon parrot, Nicky, sit on the balcony of his tenth-floor apartment. One morning, Nicky flew away, much to Mark's dismay. He searched and called for

the bird, with no luck.

The next day when Mark returned from work, the phone rang. "Is this Mark?" The caller asked. "You're going to think this is crazy, but there's a bird outside on my balcony saying, 'Hello, this is Mark.' Then it recites this phone number and says, 'I can't come to the phone right now, but if you will leave a message at the tone, I will call you back.' So I'm guessing this is your bird?"

## Tailor

I tried being a tailor, but wasn't suited for it...Mainly because it was a sew-sew job.

## -NOTICE-

Everyone at Grand General wishes to thank you for your business by providing the "Grand Laffs" publication. If you do not wish to receive "Grand Laffs," please call, fax or e-mail us and we will honor your request.

## Exercise

I'm so tired of exercising. I think five thousand sit-ups should be pretty much permanent. You should be at home, you're on your last and final sit-up, and you get that call on your phone, "Congratulations! You have completed the exercise portion of your life. Welcome to the incessant eating section."

## Old Neighbor

Worried that they hadn't heard anything for days from the widow in the apartment next door, the mother said to her son, "Tony, would you go next door and see how old Mrs. Pierpoint is?"

A few minutes later, Tony returned.

"Well, is she all right?" asked the mother.

"She's fine, but she's rather annoyed with you," remarked Tony.

"At me?" the mother exclaimed. "Whatever for?"

Tony replied, "Mrs. Pierpoint said it's none of your business how old she is."
