Garage Sale

I spotted several pairs of men's Levi's at a garage sale. They were sizes 30, 31, and 32, but I was looking for size 33. I asked the owner if he had a pair, he shook his head and replied, "I'm still wearing the 33s, come back next year."

Ten minutes later, the train resumes its slow pace. Within five minutes, however, it stops again. The woman sees the same conductor walking by again. She leans out the window and yells, "What happened? Did we catch up with the cow again?"

Passenger Train

A passenger train is creeping along, painfully slow. Finally, it creaks to a complete halt. A passenger sees the conductor walking by outside.

"What's going on?" she yells out the window.

"Cow on the track!" replies the conductor.

New Apartment

When a young man left his dorm and moved into an apartment, he went shopping for cleaning equipment. His cart was loaded with a broom, mop, dust-pan, sponges and a full array of cleaning products. At the last minute he topped off his cart with a lone food purchase -- a large bag of potato chips.

Seeing the checkout clerk's quizzical look, he explained, "I'm a very messy eater."

EMT Volunteers

I overheard two EMT volunteers talking about the time they went to the aid of an elderly man. As one took down his information, the other opened his shirt to attach EKG cables.

"Any history of heart trouble?" asked the first

volunteer.

"None," said the patient.

Looking at the telltale scars of bypass surgery, the second volunteer wasn't so sure. "In that case," he said, "do you remember when the lion attacked you?"

Lawn Mower

Gary was having a yard sale. A minister bought a lawn mower, but returned it a few days later, complaining that it wouldn't run.

"It'll run," said Gary. "But you have to curse at it to get it started."

The minister was shocked. "I have not uttered a curse in 30 years."

"Just keep pulling on the starter rope, the words will come back to you."

Dog Trainer

I'm a dog trainer. Before I met with a new client, I had her fill out a questionnaire. One question asked, "Why did you choose this breed?"

My client responded, "I often ask myself this very same question."
