Mayor

A mayor of a small town
passed out pens imprinted
with the message, "Got a
gripe? Call the mayor."

One morning the phone
rang and his secretary
answered it.

"Who was that?" the
mayor asked.

"A citizen with a gripe,"
came the reply. "He said
that the pen you gave him
doesn't work."

Emergency Room

Early one morning, my
husband, who works at a
funeral home, woke me
complaining about severe
abdominal pains.

We rushed to the

suffering from a kidney
stone. I turned to my
husband and asked,
"Would you like me to call
the funeral home now?"

With a scornful look, the
nurse turned to me and
snapped, "Honey, he's not
that sick!"

Cab Ride

Anyone who has ever
ridden in a cab in Rome,
Italy knows they're some
of the world's most brazen
drivers. Oddly enough
though, their current
accident rate isn't all that
bad.

One day I asked one of
the drivers the reason for
that.

"Easy," he said. "All the
bad drivers are dead."

Pollsters

I frequently receive calls
from pollsters asking me
to participate in telephone
surveys.

One woman began with a
barrage of questions.

"Wait a moment," I
interrupted. "Who are you
and whom do you
represent?"

She told me and
immediately continued
asking questions.

Interrupting her again, I
asked, "What's the
purpose of this survey?"

"Sir," she replied irritable,
"I don't have time to
answer your questions."
Then she hung up.

True Story

When people say, "You're
going to regret that in the
morning," I sleep until
noon because, I'm a
problem solver.

Police Officer

A police officer pulls a car
over and says to the
driver, "Your tail light is
broken, your tires must be
changed, and your
bumper hangs halfway
down. That will be \$300."

The driver replies, "Alright
go ahead and do it. They
want twice as much as
that at the garage."
