### Worrier

Jack had been a compulsive worrier for years, to the point it was ruining his life. He saw a psychologist who recommended a specialist who could help him. His friend, Bob, noticed a dramatic change and asked, "What happened?"

attention is grabbed by a great commotion at the roulette table. Maybe she won! He rushes back to the table and pushes his way through the crowd. The lady is lying limp on the floor, with the table operator kneeling over her. The man is stunned. He asks, "What happened? Is she all right?"

The operator replies, "I don't know. She put all her money on 36, and when 47 came up she just fainted!"

### Spider

I just locked eyes with a spider, but instead of killing him, I ran away and hid so he can spend the whole night stressing about where I am.
