Hang-Gliding

Where I'm from, you don't see too many people hang-gliding. Bubba decided to save up and get a hang-glider. He takes it to the highest mountain, and after struggling to the top, he gets ready to take flight. He takes off running and reaches the edge...into the wind he goes!

Meanwhile, his Maw and Paw were sitting on the porch swing talking about the good ole days when maw spots the biggest bird she has ever seen! "Look at the size of that bird, Paw!" she exclaims.

Paw raises up, "Git my gun, maw."

She runs into the house,

brings out his pump shotgun. He takes care aim. Bang...Bang...Bang! The monster size bird continues to sail silently over the tree tops.

"I think ya missed him, Paw," she says.

"Yeah," he replies, "but at least he let go of Bubba!"

Karate Classes

Hank was not too bright. Everyday when he walked home from work, he would get stopped by three mean men, they would beat him up and steal his money.

Finally, Hank decided that it would serve his best interest to walk a different route and take up some self-defense classes so

this wouldn't happen again. He joined a karate class and soon was doing very well to defend himself.

So, one day, on the way home from work Hank took his old route home and sure enough there they were. He walked up to them and the battle ensued. The next afternoon Hank went to his karate class with a black eye, a broken nose and a busted lip. His instructor, shocked, asked him what happened.

"Well," explained Hank, "I took my old way home last night so I could beat the guys up who were stealing my money, but they beat me up before I could get my shoes and socks off!"

Christmas Gift

My dad bought my mom a piano for Christmas. A few weeks later, I asked how she was doing with it.

"Oh," said my dad, "I persuaded her to switch to a clarinet."

"How come?" I asked.

"Well," he answered, "because with the clarinet, she can't sing."

Robber

A robber was found wounded in an electronics store.

He tried breaking in from the roof but unfortunately for him, he fell on a "Sharp" TV.
