### New Harmonica

"Grandpa, do you mind if I play my new harmonica in here?" asked little Phil.

"Of course not, Phil. I love music. In fact, when your grandma and I were young, music saved my life.

"What happened?" asked Phil.

"Well, it was during the famous Johnstown flood. The dam broke and when the water hit our house it knocked it right off the foundation. Grandma got on the dining room table and floated out safely."

"How about you?" asked Phil.

"Me? I accompanied her on the piano!"

### Low Battery

Your battery is at 2% and you see your boss upload pictures of himself and his family.

Wanting to impress him, you quickly comment, "Cool pics," but auto correct changes it to "cool pigs." Just as your battery runs out.

### Smartest Dog

Two women, who are dog owners, are arguing which dog is smarter.

The first woman says, "My dog is so smart. Every morning he waits for the paperboy to come around and then he takes a newspaper and brings it to me."

The second woman says, "I know."

The first woman asks, "How?"

The first woman replies, "My dog told me."

### Young Hiker

A young hiker is traveling through a heavily wooded area and comes upon a monastery full of friars and monks. He knocks on the door for directions, however is invited inside for fish and chips for lunch.

After lunch he exclaimed, "That was the most delicious fish and chips I have ever eaten." Seeing a chef emerge from the kitchen, he raced over and asked, "Are you the Fish Friar?"

To which the reply was, "No, I am the Chip Monk."

### 2-Year-Old

I turned on the light to wake up my kids. My 2-year-old turned it off and went back to bed.

She used to be the family alarm clock, now she's the snooze button.

### Dinner

Last night I was relaxing on the sofa watching TV when I heard my wife's voice from the kitchen, "Oh sweetheart, what would you like for dinner, my love? Chicken, beef or lamb?"

I said, "Thank you, darling. I think I'll have chicken."

She replied, "You're having a peanut butter sandwich, I was talking to the dog!"
