He ignored me and continued writing the ticket. So I called him a pencil neck. He glared at me and started writing another ticket for having bald tires. So I called him more names. He finished the second ticket and put it on the car with the first. Then he started writing a third ticket! This went on for about 20 minutes, the more I abused him, the more tickets he wrote.

I didn't really care though. My car was parked around the corner.

Factory Workers

Two factory workers are talking. The woman says, "I can make the boss give me the day off."

The man replies, "And how would you do that?"

The woman says, "Just wait and see." She then hangs upside down from the ceiling.

The boss comes in and

-NOTICE-

The management and employees of Grand General wish to thank you for your business by providing the "Grand Laffs" publication. If you do not wish to receive "Grand Laffs," please call, fax or e-mail us and we will honor your request.

asks, "What are you doing?"

The woman replies, "I'm a light bulb."

The boss then says, "You've been working so much that you've gone crazy. I think you need to take the day off."

The man starts to follow her and the boss asks, "Where are you going?"

The man replies, "I'm going home too, I can't work in the dark."

Customer Service

I'm not saying that the customer service in my bank is bad, but when I went in the other day and asked the clerk to check my balance, she leaned over and pushed me!

Road Worker

A man worked for a road crew. One day he woke up ill with a touch of laryngitis, but being a dedicated employee, he went to work. The boss felt rather sorry for the worker and didn't want him to do any physical labor, as they were repairing a part of the freeway.

He said, "Why don't you go down the road and tell

people to slow down going through the construction?"

The worker is glad for the easy day. He stops the first vehicle, "Sir," he whispers, his throat feeling worse, "please slow down, there's a road crew up ahead."

"Okay," the driver whispers back, "I'll try not to wake them."

Parking Tickets

I went to the store the other day, I was only in there for about 5 minutes and when I came out there was a motorcycle cop writing a parking ticket. So I went up to him and said, "Come on buddy, how about giving a guy a break?"

Old Hotel

I spent the night in a really old hotel last night.

They sent me a wake-up letter.

Special Events

Let us help you write your special event policies!

- Beer Gardens / Beer Tents
