Bowling & Movie

My wife called and said,
"The two kids want you to
take them bowling on
Saturday, then afterwards
they want you to take
them to the cinema."

"It's either one or the
other," I said. "Otherwise
it's too expensive."

"OK," she replied. "Which
one do you prefer?"

I said, "David!"

Leftovers

"Oh no, not leftovers
again!" complained my
older sister when she saw
the leftover meatloaf on
the table from last night's
supper.

"Young lady," responded

my father sternly, "do you
know how many people
would love to have a
delicious supper like this?
You should be ashamed of
yourself. Now before we
start eating I want to hear
you say grace thanking
the Lord for this delicious
meal."

"Thank you Lord for this
delicious supper,"
muttered my sister
submissively..."again!"

Graffiti

I went to see my doctor
this morning. "Someone
decided to graffiti my
house last night," I raged.

"So why are you telling
me?" the doctor asked.

"I can't understand the
writing," I replied. "Was it
you?"

College Graduate

A young man, fresh out of
college, went to see his
doctor one day.

"Doc, there's something
wrong with me. Every
time I stand in a baby's
high chair and face
southwest, and then touch
my tongue to a piece of
aluminum foil that's
wrapped around an acorn,
I get a strange tingle in
my big toe. Can you tell
me what the problem is?"

"Sure," the doctor said.
"You have way too much
time on your hands."

Moth

"Doctor, I think I'm a
moth."

"It's not a doctor you
need, it's a psychiatrist."

"I was on my way there
when I saw your light on."

Magician

"What's your father's
occupation?" asked the
school secretary on the
first day of the new school
year.

"He's a magician, ma'am"
said little Johnny.

"How interesting. What's
his favorite trick?"

"He saws people in half."

"Wow! Now, next
questions. Any brothers or
sisters?"

"One half brother and two
half sisters."

Netflix

My 2-year-old just started
cheering when he heard
Netflix start up if you're
wondering how my
parenting is going.
