Let us quote the business—800-869-2022!

Mouthy Bird

On reaching his plane seat a man is surprised to see a parrot strapped in next to him. He asks the flight attendant for a coffee where upon the parrot squawks, "And get me a whisky!"

The flight attendant, flustered, brings back a whisky for the parrot and forgets the coffee. When this omission is pointed out to her the parrot drains its glass and bawls, "And get me another whisky!"

Quite upset, the girl comes back shaking with another whisky, but still no coffee. Unaccustomed to such treatment, the man tries the parrot's approach, "I've asked you

twice for a coffee. Go and get it now!"

The next moment, both he and the parrot were wrenched up and thrown out of the emergency exit by two burly stewards. Plunging downwards the parrot turns to him and says, "For someone who can't fly, you complain too much!"

Land Surveyor

A land surveyor was tasked with mapping a golf course that was expanding from 9 holes to 18 holes. He needed a stout machete to clear thick brush as he went on. Along the way, he came upon a golf club that an irate player must have hurled into the woods. It was in good condition, so

he picked it up and continued on.

When he broke out of the brush onto the putting green, two golfers stared at him in awe. After all, he had a machete in one hand, a golf club in the other, and behind him was a clear-cut swath leading out of the woods.

"There," said one of the golfers, "is a guy who really hates to lose a ball!"

Baseball Manager

A baseball manager who had an ulcer went to see his doctor for a checkup.

"Remember," the doctor said, "don't get excited, don't get mad, and forget about baseball when you're off the field."

Then he added, "By the way, how come you let the pitcher bat yesterday with the tying run on second and two men out in the ninth?"

I didn't realize 80% of song lyrics were inappropriate until I had to listen to them in the car with my kids.
