Number 982

"Just got a job as senior director at Old MacDonald's Farm. I'm the CIEIO."

Workers' Compensation

We are continuously expanding our available workers' comp markets.

Some of our companies offer monthly payroll reporting, which means no end-of-year surprises.

Call us on every risk even if you've been turned down before!

Customer Service

I'm not saying that the customer service in my bank is bad, but when I went in the other day and asked the clerk to check my balance, she leaned over and pushed me!

Scrabble

Yesterday I saw a guy spill all his Scrabble letters on the road.

I asked him, "What's the word on the street?"

Court

Magistrate: "What was he doing when you arrested him?"

Policeman: "He was arguing with a taxi driver, Your Honor."

Magistrate: "That is no proof he was drunk."

Policeman: "Well, Your Honor, there was no taxi driver there."

-NOTICE-

The management and employees of Grand General wish to thank you for your business by providing the "Grand Laffs" publication. If you do not wish to receive "Grand Laffs," please call, fax or e-mail us and we will honor your request.

Fool

One Sunday a pastor found several letters awaiting him. He opened one and found it contained the single word, "Fool."

Quietly and with all seriousness he shared the letter with the congregation and said, "I have known many an instance of a person writing a letter and forgetting to sign his name, but this is the only instance I have ever known of someone signing his name and forgetting to write the letter."

Jogging

When I go jogging, I listen to a portable CD player, so people think I've been running for 10 years.

Good & Bad News

The attorney tells the accused, "I have some good news and some bad news."

"What's the bad news?" asks the accused.

"The bad news is, your blood was all over the crime scene, and the DNA tests prove you did it."

"What's the good news?"

"Your cholesterol is 130."

New App

I went into my local wireless store looking for a solution to a problem.

"I have a horse that I can't seem to get going when I'm in the saddle," I told the customer service

representative. "Nellie won't listen to my commands, and when she does start moving, it's just a slow, lazy trot."

"I have just what you need for your phone," the rep replied.

"And what would that be?"

"The latest version of the "Giddy-App!"

Pirate Humor

A pirate walks into a bar with a paper towel on his head, sits down and orders a drink.

The bartender serves the pirate his drink and asks about the paper towel.

The pirate smiles and says, "That be the bounty on me head!"
