Soap Opera

As a woman was watching a soap opera, her husband asked, "How can you cry over imaginary problems of people you've never met?"

She replied, "For the same reason you scream and yell when a man you don't know makes a touchdown."

Veterinarian

A local veterinarian was known for his wry humor. He surpassed himself one summer day when a woman, who was visiting, brought her dog to him after an encounter with a porcupine.

After almost an hour of prying, pulling, cutting

and stitching, he returned the dog to its owner, who asked what she owed.

"\$150 dollars, ma'am," he answered.

"Now that's simply outrageous!" she stormed. "That is what's wrong with you people, you're always trying to overcharge summer visitors. What do you do in the winter, when there is no one here to overcharge?"

"Raise porcupines, ma'am."

Little Johnny

Little Johnny had been misbehaving and was sent to his room. After a while, he emerged and informed his mother that he had thought it over and then said a prayer.

"Fine," said the pleased mother. "If you ask God to help you not misbehave, He will help you."

"Oh, I didn't ask Him to help me not misbehave," said Little Johnny. "I asked Him to help you put up with me."

Labor Pains

A woman in labor suddenly shouted, "Can't! Wouldn't! Couldn't! Didn't! Shouldn't!"

"Doctor, what's going on?" asked the concerned father-to-be.

"Don't worry," said the doctor, "those are just contractions."

Fired

I just got fired from my job at the keyboard factory. They said I wasn't putting in enough shifts.

Tough Teacher

A school teacher injured his back and had to wear a plaster cast around the upper part of his body. It fit under his shirt and was not noticeable at all.

On the first day of the term, still with the cast under his shirt, he found himself assigned to the toughest students in the school. Walking with confidence into the rowdy classroom, he opened the window as wide as possible and busied himself with desk work.

When a strong breeze made his tie flap, he took the desk stapler and stapled the tie to his chest.

Discipline was not a problem from that day forward!
