### Fancy Restaurant

The other night we took our three young sons to an upscale restaurant for the first time, my husband ordered a bottle of wine. The server brought it over, began the ritual uncorking, and poured a small amount for me to taste.

My six-year-old piped up, "Mom usually drinks a lot more than that."

suppose she changed jobs?" Mother asked my sister. "Maybe she has a subconscious desire not to succeed."

"Or maybe it just happened," said my sister, exasperated. "Do you know you analyze everything to death?"

Mother was silent for a moment. "That's true," she said. "Why do you think I do that?"

### Over Analyzing

My mother is always trying to understand what motivates people, especially those in her family. One day she and my sister were talking about one relative's bad luck. "Why do you

While driving on the highway, my daughter noticed a child in the window of a car in the next lane, holding up a handwritten sign that read "Help."

A few minutes later, the car passed her and she

again glanced at it. The little boy held up the same sign and this time followed it with another, which read "My mother is singing!"

### Doctor

Imagine my surprise when I went to Tipler Army Medical Center for a heart bypass operation and discovered my surgeon's name was Dr. Error.

"What a name for a doctor," I said, not sure whether to laugh or cry.

"Yeah," he agreed. "You can imagine the reaction I got when I was a major."

### Hickory Dickory

Hickory Dickory Dock, 3 mice ran up the clock, the clock struck one and the other two got off with minor injuries!

### Twenty-Dollar Bill

"My great-grandma gave me this money," said my three-year-old, happily clutching a \$20 bill he'd gotten as a present.

"That's right," I said. "How did you know that?"

Pointing to Andrew Jackson's face in the middle, he said, "Because her picture is on it."

### Sunday School

A Sunday school teacher was describing to the class how Lot's wife looked back and suddenly turned into a pillar of salt.

"My mother looked back once while she was driving," one boy said, "and she turned into a telephone pole."
