New Diet

Although I knew I had put on a few pounds, I didn't really consider myself overweight until the day I decided to clean my refrigerator. I sat on a chair in front of the appliance and reached in to wipe the back wall.

While I was in this position, my teenage son came into the kitchen. "Hi, Mom," he said. "Whatcha doin', having lunch?"

I started my diet that day.

Special Breakfast

A man goes into a coffee shop and says, "I would like one of your special breakfasts."

"No problem," comes the

reply from behind the counter.

"But I want it my way," says the man.

"What do you mean 'your way'?" asks the waiter.

The man says, "Well, I want the eggs only half done," he says, "I want the baked beans done so they are baking hot on the top and freezing cold on the bottom. Tony walks around the block and comes in the side door and orders a whiskey. Joe again says, "You have had too much already. I can't serve you."

Tony walks the block again and comes in the back door and orders a

whiskey and before Joe has a chance to refuse him the drink, Tony says, "Hey Joe! How many places do you work at?"

Donation

A woman was chatting with her next-door neighbor. "I feel really good today. I started out this morning with an act of unselfish generosity. I gave a twenty dollar bill to someone who was needy and down on his luck."

"Twenty whole dollars? That's a lot of money to just give away. What did your husband say about it?"

"OH, he thought it was the proper thing to do. He said, 'Thanks.'"
