Jury Duty

When my mother was called for jury duty, she felt confident of her ability to answer the questions asked of prospective jurors. As a young attorney, I had filled her in on what to expect.

Asked about the occupations of family members, Mom answered, "My son is a lawyer."

As a follow-up, she was asked if she had ever used the services of an attorney.

"Only to mow my lawn."

Calculus

Alcohol and calculus don't mix...

Never drink and drive.

Married Couple

My wife, a registered nurse, once fussed over every pain or mishap that came my way. Recently, however, I got an indication that the honeymoon is over.

I was about to fix the attic fan, and as I lifted myself from the ladder in the attic, I scratched my forehead on a crossbeam. Crawling along, I picked up splinters in both hands, and I cut one hand replacing the fan belt. On the way down the ladder, I missed the last two rungs and turned my ankle.

When I limped into the kitchen, my wife took one look and said, "Are those your good pants?"

Groaner

Back in the 1800s the Tates Watch Company of Massachusetts wanted to produce other products and, since they already made cases for watches, they used them to produce compasses.

The new compasses were so bad that people often ended up in Canada or Mexico rather than California.

This, of course, is the origin of the expression, "He who has a Tates is lost!"

Mouse Trap

A woman rushes into a hardware store and said, "Can I have a mouse trap, please? And will you be quick, I've a bus to catch!"

"Sorry, Ma'am," said the assistant, "we don't sell 'em that big!"

Hearing Aid

A man is bragging about his new hearing aid. "It's the best I've ever had," he says. "It cost \$3,000."

His friend asks, "What kind is it?"

He says, "Half past four!"

Short-N-Sweet

The more you weigh, the harder it is to kidnap you.

Stay safe. Eat more cake.

"My Friday is ruined!"

"Why, what happened?"

"I realized today is Tuesday."

A bike in town keeps running over me...

It's a vicious cycle!
