### Psychiatrist

Shakey went to a psychiatrist. "Doc," he said, "I've got trouble. Every time I get into bed, I think there's somebody under it. I get under the bed, I think there's somebody on top of it. Top, under, top, under. You have to help me, I'm going crazy!"

"Let me take care of it," said the shrink. "Come to me three times a week, and I'll cure your fears."

"How much do you charge?"

"A hundred dollars per visit."

"I'll sleep on it," said Shakey.

Six months later the

doctor met Shakey on the street. "Why didn't you ever come to see me again?" asked the psychiatrist.

"For a hundred bucks a visit? A bartender cured me for ten dollars."

"Is that so! How?"

"He told me to cut the legs off the bed!"

### Late Date

After waiting more than an hour and a half for her date, Sarah decided she had been stood up.

Exasperated, she changed from her dinner dress into pajamas and slippers, fixed some popcorn and hot chocolate, and resigned herself to an evening of TV.

No sooner had she flopped down in front of the TV when the doorbell rang. Her dad went to the door, and there stood her date.

He took one look at Sarah on the coach and gasped. "I'm two hours late and she's still not ready?"

### Rude Person

My husband and I often spell words so that our small children won't understand what we're saying. I didn't realize what a habit this had become until one day when my husband and I were in the grocery store at the soup aisle.

An aggressive young woman banged into our cart, then nudged me over, blocking my access to the soup. Annoyed, I looked at my husband and said, "Boy is she r-u-d-e!"

"Yeah," he replied, "but I'll bet she can s-p-e-l-l."

### Bad Tipper

A man takes his place in the theater, but his seat is too far from the stage. He whispers to the usher, "This is a mystery, and I have to watch a mystery close up. Get me a better seat, and I'll give you a handsome tip."

The usher moves him into the second row, and the man hands the usher a quarter. The usher looks at the quarter, leans over and whispers, "The wife did it."

### How Many...?

How many telemarketers does it take to change a lightbulb?

One, but they have to do it while you're eating dinner!
