"Judge people on how they treat others when they're hungry."

Job Interview

On the day of my big job interview I woke up late. Frantically I threw on a suit. "Oh no!" I thought, "my tie." My Dad was out of town and wasn't there to help me, and for the life of me I did not know how to tie a tie!

I grabbed a tie and ran out the door. "Excuse me sir," I said to the crossing guard, "I have an important job interview, can you please help me with this tie?"

"Sure" said the guard, "just lie down on this bench." Well if someone was going to help me I wasn't going to ask any questions. After he finished and the tie looked good I just had to ask why I had to lie down.

"Well in my previous job I learned how to tie ties on other people when they were lying down," He

Let's Celebrate

A week ago Thursday was National Procrastination Day. Time to celebrate!

Stress Test

I went to the hospital for a stress test. They hooked me up to the machine and made me watch my 17 year-old daughter parallel park my car.

Profitable Year

The owner of a company tells his employees, "You worked very hard this year, therefore the company's profits increased dramatically. As a reward, I'm giving everyone a check for \$5,000."

Thrilled, the employees gather round and high five one another.

"And if you work with the same zeal next year, I'll sign those checks!"

My arms laden with gifts, I remembered that I had forgotten to mail a card to my childhood friend Faye. Buying a card and dashing into the post office, I bought a first-class stamp.

"Excuse me," I said, my arms aching, "but must I put the stamp on myself?"

"No ma'am," deadpanned the clerk, "it goes on the envelope."

Smart dog

As I drove into a parking lot, I noticed that a pickup truck with a dog in it was rolling toward a female pedestrian. She seemed oblivious, so I hit my horn to get her attention. She looked up just in time to jump out of the way of the truck and the vehicle bumped harmlessly into the curb and stopped.

I rushed to the woman's side to see if she was all right. "I'm fine," she assured me, "but I hate to think what could've happened to me if that dog hadn't honked!"
