Number 908 "Tomorrow is a big day for me at work. They are refilling the snack vending machine."

Wedding

Jennifer's wedding day was fast approaching. Nothing could dampen her excitement, not even her parents' nasty divorce.

Her mother had found the perfect dress to wear, and would be the best-dressed mother-of-the-bride ever!

A week later, Jennifer was horrified to learn that her father's new wife had bought the exact same dress as her mother.

Jennifer asked her father's new wife to exchange it, but she refused. "Absolutely not! I look like a million bucks in this dress, and I'm wearing it," she replied.

Jennifer told her mother who graciously said, "Never mind sweetheart. I'll get another dress. After all, it's your special day."

A few days later, they

went shopping and did find another gorgeous dress for her mother.

When they stopped for lunch, Jennifer asked her mother, "Aren't you going to return the other dress? You really don't have another occasion where you could wear it."

Her mother just smiled

and replied, "Of course I do, dear. I'm wearing it to the rehearsal dinner the night before the wedding."

Logic

Logic says the screw I dropped should be somewhere by my feet, but science says it's under the couch in the other room.

Pretzels

A guy walks into a bar and takes a seat. Before he can order a beer, the bowl of pretzels in front of him says, "Hey, you're a handsome fellow."

The man tries to ignore the bowl of pretzels, and orders a fine Pilsner beer.

The bowl of pretzels then

says, "Ooooh, a pilsner, great choice. You're a smart man."

Starting to freak out, the guy says to the bartender, "Hey what the heck, this bowl of pretzels keeps saying nice things to me!"

The bartender replies, "Don't worry about it, the pretzels are complimentary."

Confused

I often confuse reptiles and amphibians. Actually, if I'm being brutally honest, they pretty much never know what I'm talking about.

Children

I was blessed with three beautiful, intelligent and terrific children. When they were seven, six, and five, my youngest daughter who was always asking questions, came home from kindergarten one day and asked, "Daddy, how many children did you want?"

Thinking for a minute, I looked at her and said, "Two."

She thought about this for a moment and then asked, "Me, and who else?"
