Fortune Tellers

Two fortune tellers meet. The first one say, "We're going to have a hot summer again." The second one sighs happily, "Yes, it reminds me of the summer in 2092."

Savings Account

After years of scrimping and saving, a husband told his wife the good news, "Honey, we've finally saved enough money to buy what we started saving for in 1999."

"You mean a brand new Cadillac?" she asked eagerly.

"No," said the husband, "a 1999 Cadillac."

Business Trip

Wayne was returning home from a business trip, bags in hand, and slowly making his way to his vehicle in the crowded airport garage. Suddenly a large dark car screeched to a stop in front of Wayne, and the driver

pointed menacingly at him, "Get in," the driver ordered. "I'll take you to your car."

Startled, Wayne took a step backward, "Ah...no thanks," he answered. "I can get there myself."

"No!" the man barked back as he threw open his passenger side door, "Get in!"

Wayne's eyes now darted around the garage, hoping to find a security guard.

Just then, the driver's face softened, "Please," he said "I've been driving up and down for two hours. I can't find a space to park, and I want yours."

Sick Wife

My poor wife was sick in bed with the flu. Being a dutiful husband, I offered to fix her some of her favorite herbal tea. I couldn't find the tea though and went back

upstairs to ask where it was.

She said, "I don't know how it could be any easier to see. It's in the pantry, third shelf down, in a cocoa tin marked 'matches'."

Vacation

My two-year-old cousin scared us one summer by disappearing during our lakeside vacation. More than a dozen relatives searched the forest and shoreline, and everyone was relieved when we found Matthew playing calmly in the woods.

"Listen to me, Matthew," his mother said sharply. "From now on when you want to go someplace, you tell Mommy first, okay?"

Matthew thought about that for a moment and said, "Okay. Disney world."

Nosy Husband

My wife thinks I'm too nosy. At least, that's what she keeps scribbling in her diary.
