### Sunday School

Sunday after church, a mom asked her very young daughter what the lesson was about.

The daughter answered, "Don't be scared, you'll get your quilt."

Needless to say, the mom was perplexed. Later in the day, the pastor stopped by for tea and the mom asked him what that morning's Sunday school lesson was about.

He said, "Be not afraid, thy comforter is coming."

### New Roof

John and I were putting a roof on a barn we were building. We hauled up all the shingles and roofing

nails before we began working on the roof. As John brought up the last of the supplies he slipped and accidentally kicked over the ladder. I told him not to worry as someone would surely come by before the day was done.

We worked all day on the roof and finished it just

before sundown. I told John that since no one had come by to pick up the ladder for us we were going to have to jump down. John said we could jump into the pigpen and the mud would break our fall. Looking down at the mud I asked John how far we would sink into the mud. John said it would come up to about our ankles.

With that I jumped and sank into the mud up to my neck. "Hey!" I yelled at John. "I thought you said it would only come up to my ankles?"

John replied, "So who told you to jump feet first?"

### Isolation Room

A guy goes to the doctor and after a thorough examination the doc says, "I'm going to put you in an isolation room."

The guy replies, "Will that make me better?"

"No. I am also going to put you on a diet of dry wafer biscuits."

"Will that make me better?"

"No," the doctor replied, "but it's the only food that'll fit under the door."

### Big Money

I was standing in line at the bank one day when a teenager called out in a loud voice, "Did anyone lose a big wad of bills with a rubber band around it?"

Two men and a woman quickly called out, "I did!"

The teenager responded saying, "Well I found the rubber band!"
