Funny Jokes

My boss texted me, "Send me one of your funny jokes, Pete."

I replied, "I'm working at the moment, Sir, I will send you one later."

He replied, "That was fantastic, send me another one."

Choking

One day at a local café, a woman suddenly called out, "My daughter is choking! She swallowed a nickel! Please, anyone, help!"

Immediately a man at a nearby table rushed up to her and said he was experienced in these situations. He calmly

stepped over to the girl, then with no look of concern, wrapped his arms around her and squeezed. Out popped the nickel.

The man returned to his table as if nothing had happened.

"Thank you!" the mother cried. "Tell me, are you a doctor?"

"No," the man replied. "I work for the IRS."

Drunk Man

A drunk man appears in front of a judge.

The judge says, "You've been brought here for drinking."

The drunk man, a bit surprised says, "Okay, let's get started!"

Old Sofa

Someone in our neighborhood put a huge sofa out by the curb for trash collection. Since it was in good shape, many motorists slowed down for a look. When they saw how enormous it was, they'd leave.

Eventually, a sports car pulled up, and two teens got out. "This I've got to see," I thought.

They removed the cushions, turned the sofa upside down, and shook it hard. Then they picked up all the coins that tumbled out and drove off laughing.

Preacher

A preacher dies, and when he gets to Heaven, he sees a New York cab driver who has more stars in his crown.

He says to the angel, "I

-NOTICE-

don't get it. I devoted my whole life to my congregation. Why did the taxi driver get more stars than me?"

The angel says, "We reward results. Did your congregation always pay attention when you gave a sermon?"

The preacher says, "Once in a while someone fell asleep."

The angel says, "Right. Well, when people rode in this guy's taxi, they not only stayed awake, but they usually prayed!"

Ice Cream

It turns out the answer to my problem wasn't at the bottom of this pint of ice cream, but the important thing is that I tried.

Dwelling Fire
