Teaching

A teacher was giving a lesson on the circulation of blood. Trying to make the matter clearer, he said, "Now, students, if I stood on my head the blood, as you know, would run into it and I should turn red in the face."

A little boy shouted, "It's because your feet aren't empty."

Dream Home

We had finally built our dream home, but the contractor had a concern, the placement of an atrium window for our walk-in shower. "I'm afraid your neighbors might have a good view of you au naturel," he said.

My middle-aged wife put him at ease. "Don't worry," she said, "they'll only look once."
