### Shorties

I keep hearing on the radio that I can make big money flipping houses.

But they never say how much I will have to pay for the big spatula!

\*\*\*\*\*

They announced that in Minnesota they found a mass grave of snowmen.

Turned out to be just a field of carrots.

Yesterday I learned that 20 piranhas can strip all flesh off a man within 15 minutes.

Unfortunately, I also lost my job at the local swimming pool.

### Homework

Mary's fourth-grade homework assignment was to make sentences using the words in her spelling list, along with the definition.

Coming across the word "frugal" in the list, she asked her father what it meant. He explained that being frugal meant you saved something.

Her paper read...

Frugal: to save

Sentence: Maid Marion fell into a pit when she went walking in the woods so she yelled for someone to come get her out. She yelled, "Frugal me, Frugal me!"

### Final Exam

During the final exam, the professor noticed that Billy kept looking at his hand before writing down an answer on his test. This went on throughout the entire exam, leaving the professor no other choice than to interrogate the student's test-taking habit.

"Billy," the professor began, "is there something interesting written on your palm?"

"Not at all," Billy replied. "It's all pretty boring."

### Piano Player

Veronica was practicing the piano when suddenly there was a loud pounding on the front door. She opened it and found a breathless cop.

"What's the matter?!" she asked.

"Where's the body?" demanded the officer.

"What are you talking about?"

"We just got a tip that some guy named Mozart was being butchered to pieces in this house."

### Soup

A customer walks into a restaurant and orders a bowl of soup. The waiter brings it out and there's a fly in the bowl.

"Waiter, this soup has a fly in it," the customer says. "Please bring me another."

The waiter walks into the kitchen and tells the chef, "Another fly for the customer."
