### High Fashion

During the last days of my  
mother's life, we  
discussed many things.

One day I raised the topic  
of her funeral and  
memorial service. "Oh,  
honey," she responded, "I  
really don't care about the  
details."

Later she woke from a  
nap and grasped my  
hand, clearly wanting to  
share something with me.  
As I leaned forward, she  
said urgently, "Just don't  
bury me in plaid."

### -NOTICE-

The management and employees of Grand  
General wish to thank you for your business  
by providing the "Grand Laffs" publication. If  
you do not wish to receive "Grand Laffs,"  
please call, fax or e-mail us and we will honor  
your request.

inserting and removing  
the flash drive.

Then a girl sitting next to  
me taps my shoulder and  
says, "You're plugging into  
my computer, not yours."

### New Diet

"How is the diet going?"

"Not good, I had eggs for  
breakfast."

"Scrambled?"

"No, chocolate."

### IT Major

I'm at the library, and for  
some reason, when I plug  
my flash drive into the  
computer, it doesn't show  
up. I keep trying, but  
nothing happens.

As an IT major, I know I  
can figure this out. So I  
spend 15 minutes  
changing settings and

### Say Cheese

You know you have a  
problem when you stand  
in your living room to take  
a picture, and after you  
say "Cheese," a rat jumps  
out and says, "Where?"

### Making Friends

Presently, I am trying to  
make friends outside of  
Facebook while applying  
the same principles.  
Therefore, every day I go  
down to the street and tell  
the passers-by what I  
have eaten, how I feel,  
what I have done the  
night before, and what I  
will do tomorrow night.

Then I give them pictures  
of my family, my dog, and  
me gardening and  
spending time in my pool.  
I also listen to their  
conversations and tell  
them I love them. And it  
works!

I already have three  
people following me...two  
police officers and a  
psychiatrist!

### Driving Dog

As I drove into a parking  
lot, I noticed that a pickup  
truck with a dog sitting  
behind the wheel was  
rolling toward a female  
pedestrian. She seemed  
oblivious, so I hit my horn  
to get her attention.

She looked up just in time  
to jump out of the way of  
the truck's path, and the  
vehicle bumped  
harmlessly into the curb  
and stopped. I rushed to  
the woman's side to see if  
she was all right.

"I'm fine," she assured  
me, "but I hate to think  
what could have  
happened to me if that  
dog hadn't honked."
