### Sunday School

A Sunday school teacher said to her children, "We have been learning how powerful kings and queens were in Biblical times, but there is a higher power. Can anybody tell me what it is?"

One child blurted out, "Aces!"

### Stage Mother

A stage mother cornered the concert violinist in his dressing room and insisted he listen to a tape of her talented son playing the violin.

The man agreed to listen, and the woman switched on the tape player. "What music!" the violinist

thought. A difficult piece, but played with such genius that it brought tears to his eyes. He listened spellbound to the entire recording.

"Madam," he whispered, "is that your son?"

"No," she replied. "That's Jascha Heifetz, but my son sounds just like him!"

### Little Old Lady

Doctor Bloomfield, who was known for extraordinary treatment of arthritis, had a waiting room full of people when a little old lady, almost bent over in half, shuffled in slowly, leaning on her cane.

When her turn came, she went into the doctor's office and amazingly

emerged within 5 minutes walking completely erect with her head held high.

A woman in the waiting room who had seen all this, rushed up to the little old lady and said, "It's a miracle! You walked in bent in half, and now you're walking erect. What did that doctor do?"

"Gave me a longer cane."

### Marital Tension

A friend of mine was having a bit of marital-tension in his household and was trying to figure out just what to do about it.

In the course of our conversation, I said to him, "You know, quite often God speaks to us through our wives."

My friend looked at me and said, "Oh yeah? Well I'm pretty sure God doesn't use that kind of language!"

### -NOTICE-

### Stomach Ache

Little Susie, a six-year-old, complained, "Mother, I've got a stomach ache."

"That's because your stomach is empty," the mother replied. "You would feel better if you had something in it."

That afternoon, her father came home complaining that he had a severe headache all day. Susie perked up. "That's because it's empty," she said. "You'd feel better if you had something in it."

### Groaner

I told my niece that I saw a moose on the way to work this morning. She said, "How do you know he was on his way to work?"
