Grasshopper

A grasshopper walks into a bar. The bartender laughs and says, "Hey, we have a drink named after you!"

The grasshopper looks at the bartender, with a look of extreme confusion on his face, and says, "You have a drink called Steve?"

"Try for more, but I will accept \$20 each," I said, and left.

When I returned, my tires were gone. "How much did you get for them?" I asked excitedly.

"Twenty dollars each."

"Who bought them?"

"I did!"

Mom's Advice

I was trying to decide what to do for a talent show I planned to enter.

Trusting my mother to help me out, I asked, "For the talent show, what do you think I should do, sing or put on a comedy act?"

Glancing up from her paper, she said dryly, "What's the difference?"

Tires For Sale

I took four tires to a friend's garage sale and was asking \$35 apiece. I needed to step away for a bit so I asked him to watch them for me.

"Sure," he said, "but just in case someone offers less, how low are you willing to go?"

Trivia Game

My family was playing a trivia board game one night. When it was my brother-in-law's turn, he rolled the dice and landed on "Science & Nature."

His question was, "If you are in a vacuum and someone calls your name, can you hear it?"

He thought for a moment and asked, "Is it on or off?"

Tree Service

While working as a radiology technician in a hospital emergency room, I took x-rays of a trauma patient. I brought the films to our radiologist, who studied the multiple fractures of the femurs and pelvis.

"What happened to this patient?" he asked in astonishment.

"He fell out of a tree," I

reported.

The radiologist wanted to know what the patient was doing up a tree.

"I'm not sure, but his paperwork states he works for Bob's Expert Tree Service."

Gazing intently at the x-rays, the radiologist blinked and said, "Cross out 'Expert.'"

Day and Night

After God created 24 hours of alternating darkness and light, one of the angels asked him, "What are you going to do now?"

"I think I'm going to call it a day."

Professional Liability - EPL

Why You And Your Customers Need This:

- ★ 73.5 percent of companies defended employment-related litigation that mainly consisted of discrimination and wage and hour complaints.
- ★ The number one area for litigation in the past three years has been labor and employment matters.
- ★ Forty-seven percent of plaintiff verdicts are between \$100,000 and \$500,000; the average cost of defense is \$150,000.
- ★ Over 40 percent of EPL claims are brought against private employers with fewer than 100 employees.
