Alligator

"Authorities in Florida are searching for two men who left an injured alligator at a convenience store. Said the alligator, 'No, no, it's cool. They said they'd see me later.'"

New Car

Early one evening a gentleman scuttled out to his garage and pulled the lawn furniture out onto the driveway. Shortly after followed the lawnmower, a few gardening tools and a bicycle.

A curious neighbor wandered over and asked if he was going to have a garage sale.

"No," replied the gentleman, "my son just

bought his first car and right now he's getting ready for a big date. He'll be taking the car out soon to pick up the girl."

"So what's with all the stuff?" asked the neighbor.

"Well, after years of moving tricycles, toys and sports equipment out of the way every time I came home from work, I wanted to make sure the driveway was ready for him."

Mischievous Boy

An exasperated mother, whose son was always getting into mischief, finally asked him, "How do you expect to get into Heaven?"

The boy thought it over and said, "Well, I'll run in

and out and in and out and keep slamming the door until St. Peter says, 'For Heaven's sake, Dylan, come in or stay out!?'

3-Little Pigs

Two of the 3-little pigs said to the wolf, "You huff and puff, we move in with our brother, and we all split the insurance money."

Ponder

I wonder what I could have accomplished in life if I had done my algebra instead of trying to move that pencil with my mind for 3 years.

Teacher

I was the substitute teacher for a second-grade math class that was learning about groups. In one exercise, the pupils were asked to label a group of items according to their common characteristics.

Pictured were onion rings, doughnuts, a bundt cake, and ring cookies. The correct answer would have been that all the items have holes in the center.

One health-conscious boy's response was, "All of those things contain too much cholesterol."

Friends

As the three ladies picked up a menu, each put on a pair of glasses.

"I really only need mine for close reading," explained the first.

Remarked the second, "I only use mine when the light is bad."

The third confessed, "I rarely wear mine, except when I want to see."

Workers' Compensation

We are continuously expanding our available workers' comp markets.

Some of our companies offer monthly payroll reporting, which means no end-of-year surprises.
