Parking Garage

Wayne was returning home from a business trip, bags in hand, and slowly making his way to his vehicle in the crowded airport garage. Suddenly a large dark car screeched to a stop in front of Wayne, and the driver pointed menacingly at him. "Get in," the driver ordered. "I'll take you to your car."

Startled, Wayne took a step backward. "Ah...no thanks," he answered. "I can get there myself."

"No!" the man barked back as he threw open his passenger side door. "Get in!"

Wayne's eyes now darted around the garage, hoping to find a security guard.

Just then, the driver's face softened. "Please," he said, "I've been driving up and down these rows for two hours. I can't find a space to park, and I want yours."

Delusional

A woman goes to a psychiatrist and says, "Doctor, you've got to do something about my husband. He thinks he's a refrigerator!"

"I wouldn't worry too much about it," the doctor replies. "Lots of people have harmless delusions. It will pass."

"But you don't understand," the woman insists. "He sleeps with his mouth open, and the little light keeps me awake."

Noisy Hotel

"This hotel stinks!" a guest complained when he showed up at the front desk to check out.

"What's wrong?" asked the desk clerk.

"I got no sleep. Every 15 minutes this loud banging sound woke me up!"

The clerk apologized for the noise and checked him out. A few minutes later, a couple showed up. Again, the clerk asked how their stay was.

"Terrible!" they said. "The guy in the next room was snoring so loudly that we had to bang on the wall every 15 minutes to wake him up!"

Personal Record

I just broke my personal record of days without dying. Tomorrow will be another challenge.

Car Priveleges

A teenage girl had just been given family car privileges. One Friday night she returned home very late from a party.

The next morning her father went out to the driveway to get the newspaper and came back into the house frowning. At 11:30 am the girl sleepily walked into the kitchen, and her father asked her, "What time did you get in last night?"

"Not too late, Dad," she replied nervously.

"Dead-panned, her father said, "Then I'll have to talk to the paperboy about putting my paper under the front tire of the car."
