

AEGIS SECURITY'S \$300,000 LIABILITY ELIGIBILITY REQUIREMENTS

The following will be required on all submissions requesting \$300,000 Liability:

1. Clear color front and rear photos of each structure must be submitted with the application.
2. All entrances must have permanently installed steps and have a safety railing. All balconies, raised decks and/or porches must be surrounded by a railing with balusters a maximum of 4 inches apart.
3. The premises should be free of debris, clutter and any other liability hazard.
